Basic Internship@Clevered
AI App/ Project Name

App User Manual

Author: Arhan Dodhya

About Me..

- My name is Arhan
- I am 10 years old
- I am in year 6
- I am interested in AI because the possibilities of what you can do with AI are endless.

Acknowledgements

- I want to thank Mentor, Mr ken and the Ecraft website.

About App..

- **My app is an adventure game where you avoid obstacles and attack enemies. The game also has two characters.**

How do I use the App?

Adventure game with pose recognition

- The game says how to play and automatically starts but you can use the snap controls to pause and restart.

- The app uses pose recognition to move and speaking blocks to tell you how to play

Contact Person
